 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner indicated that in the advisory action of August 31, 2007 the previous after final amendment was not entered partly in view of the fact that the amendment to add claim 102 raised the issue of new matter and raised new issues under 35 USC 103 that required further search and consideration. The examiner also indicated that claim 100 should be amended to indicate that the kit contains both the probe to detect a FD1 mutation and a probe to detect a FD2 mutation.
